

# 24" X 48" WIRE GRID GONDOLA W/BASE ASSEMBLY INSTRUCTIONS

- 1** Assemble Base by connecting center bar to end frames with 4 bolts (2 per end). Turn upside down to insert casters.
- 2** Assemble 2 grid panels using three (3) connectors — to form a "T". Repeat for remaining 2 panels to form a "T" facing the opposite direction.
- 3** Set both assembled "T" grid sections onto base and connect center panels together using three (3) connectors
- 4** Connect grid to base at four corners using bolts/washers/nuts (2 per corner).
